**OBJECTIVE** Obtain an interior design position that will allow me to gain experience to **grow** as a designer and work collaboratively with others

Seeking to use the skills I have learned, along with my own creative intuition, to transform built environments through sustainability and innovation

**EDUCATION** *University of Wisconsin - Stevens Point (UWSP)*  
Bachelor of Fine Arts in Interior Architecture (CIDA-accredited)  
Minor in Business Administration  
Cumulative GPA: 3.77 *Magna Cum Laude* Graduated May 2012

**EXPERIENCE** *Floorology* August 2011-present

Design Consultant

- Utilize strong interpersonal and communications skills to serve clients
- Prepare 3D drawings to encourage idea creation and sales stimulation
- Retain project manager role from conceptualization to final installation

*Hometeam Decor* February 2012-May 2012

Interior Design Intern

- Collaborated with design team to discuss client needs and find effective solutions
- Planned functional retail store layout with proper circulation and wayfinding
- Developed visual displays to present merchandise and stimulate product sales

*Nordon Business Environments* May 2011-August 2011

Interior Design Intern

- Assisted project designers in selection of materials and research of products
- Organized and updated library materials and added innovative products
- Prepared and reviewed architectural documents and schedules

**AWARDS** Dean's Distinguished Achievement Award, UWSP 2008, 2010-2012  
Certificate of Achievement for Highest Honors Spring 2011-2012
